MUSIC COMPANY'S HEALTH AND SAFETY CONFIRMATION

The Broadcasting Commission ("NZ On Air") entered into a New Music Kids Funding Agreement with Angel Star Publishing House ("the Music Company") whereby NZ On Air agreed to fund the project called "Chris Sanders – Chris Sanders Project" ("the Project").

The Music Company now confirms to NZ On Air, in the context of the Health and Safety at Work Act 2015 ("the Act"), that:

(a) the Music Company has consulted, co-operated and co-ordinated with all PCBUS as defined in the Act (e.g. contractors) overall health and safety plans for the Project; and

(b) if the project involves filming or filming related activities the New Zealand Screen Sector Health and Safety Guidelines found at <http://screensafe.co.nz/> are being and will continue to be followed on the Project; and

(c) all risks to health and safety on the Project have been assessed and identified risks have been entered in a hazard register along with how these will be eliminated or minimised; and

(d) the current Project budget, including NZ On Air's funding, is enough to ensure the Music Company meets its obligations for the health and safety of all persons connected with the Project.

The Music Company understands that in accordance with clause 4.3 of Schedule 2 of the New Music Project Funding Agreement, any serious health and safety incident or near miss must be reported to NZ On Air within 24 hours.
